Subscription start date Per policy below

Subscription Term and Start Date. The Subscription Term for the MaiaEdge service will commence on the earlier of (a) the first day of the calendar month following the date on which the MaiaEdge Equipment first successfully connects to the MaiaEdge service in a production environment and is reasonably available for Customer's use (the "Go-Live Date"), or (b) the first day of the calendar month following the date that is forty-five (45) days after the date on which the Equipment (or, if multiple items of Equipment are ordered, the last such item of Equipment) is shown as delivered to Customer or Customer's designated end user by the applicable carrier tracking system or as otherwise acknowledged in writing (the "Delivery Date") (such earlier date, the "Subscription Start Date").

1. Delivery and Risk of Loss

Delivery of the Equipment shall be made FCA (Free Carrier, Incoterms® 2020, as adapted for leased property) MaiaEdge's designated shipping point (currently Burlington, Massachusetts, USA), unless otherwise agreed in writing. Upon delivery of the Equipment to the carrier designated by the Customer, risk of loss or damage shall transfer to the Customer, even though title remains with MaiaEdge. The Customer shall be responsible for all shipping, freight, and insurance costs following delivery to the carrier.

2. Importer of Record and Compliance

For all international shipments, the Customer shall act as the Importer of Record and shall be solely responsible for (a) compliance with all applicable import and export laws; (b) completion of all customs documentation; and (c) obtaining any required permits, licenses, or authorizations for the importation, installation, or operation of the Equipment in the destination country. MaiaEdge shall not be required to act as Importer of Record, broker, or fiscal representative in any jurisdiction.

3. Taxes, Duties, and Governmental Charges

The Customer shall be solely responsible for all taxes, duties, tariffs, customs fees, value-added taxes (VAT), import or export charges, and any other governmental assessments arising from the importation, installation, or use of the Equipment or Services. No such amounts are included in the fees payable to MaiaEdge unless expressly stated otherwise in writing. MaiaEdge shall have no obligation to register for, collect, or remit any foreign tax.

4. Indemnification

The Customer agrees to indemnify, defend, and hold harmless MaiaEdge, its affiliates, officers, and agents from and against any and all losses, liabilities, penalties, or claims (including reasonable attorneys’ fees) arising out of or related to (a) the Customer’s role as Importer of Record; (b) the Customer’s failure to comply with any customs, tax, or regulatory requirements; or (c) any taxes, duties, or fees imposed in connection with the Equipment or Services.

5. Survival

These provisions shall survive the termination or expiration of any Service Order or Agreement to the extent necessary to allocate risk and responsibility for Equipment shipped outside the United States.
