

**FOUNDING CUSTOMER
TERM SHEET**

Draft — April 19, 2026

PURPOSE: This term sheet summarizes the commercial terms agreed in principle between MaiaEdge Inc. and HDCO Group. It is a structured outline for legal counsel to draft a formal binding agreement. Items marked [TO BE AGREED] require alignment before drafting begins.

1. PARTIES

Seller	MaiaEdge Inc. 77 S. Bedford St., Suite 150, Burlington, MA 01803
Customer	HDCO Group, Miami, FL 33101 Contact: Victor Rodriguez vrodriguez@hdcogroup.com

2. DEAL OVERVIEW

This arrangement covers two related but independent commitments, each governed by separate documentation:

- 100G PBC Hardware — HDCO Group commits to a minimum purchase threshold of MaiaEdge 100G Path Border Controller units, beginning with 5–7 units and 22+ to follow.
- MaiaEdge Software PBC (New Product) — HDCO Group commits as founding customer for a software-only PBC currently under development. This commitment enables MaiaEdge to accelerate development and entitles HDCO Group to exclusive founding customer pricing.

3. 100G PBC HARDWARE COMMITMENT

Minimum Threshold	[TO BE AGREED] <i>Dollar amount or unit count to be agreed. This commitment is a prerequisite for MaiaEdge to allocate development resources to the Software PBC.</i>

Follow-On Orders	22+ additional units, phased (separate Order Forms)
Discount	Standard HDCO 30% off list price
